TMHK 38

Mounting kit for OK couplings

A combination of powerful SKF oil injection tools allow easy mounting and dismounting of SKF OK couplings. The kits comes with all the necessary tools and accessories for that specific SKF OK coupling and is supplied in storage case(s). Some sets are more suitable for frequent use such as on shipyards, while others are more for infrequent use such as on board of ships.

- No heat is required
- The coupling can be removed as easily as it was mounted
- Complete ready to use kit
- Comes in handy storage case
